Basz will join the crew for the official test at Spa this week and his selection comes after a strong showing in the opening round of the Italian GT Endurance Championship where he and co-rivers Benjamin Hites and Mattia Michelotto won for VSR and Lamborghini at Pergusa. The Polish driver has a long history of success with Lamborghini and VSR. Last year he won the Super Trofeo World Final with Michelotto and in 2020 won the Super Trofeo Pro-Am title with Andrzej Lewandowski.

Karol Basz: I'm very happy to take part in the Total 24 Hours of Spa as it has been a dream of mine since the beginning of my career. As always I will do my best to get the maximum results possible and I would like to thank VSR and Lamborghini for their continuous support and for believing in me.

Giorgio Sanna: We are glad to have Karol committed to the 24 Hours of Spa with VSR, it's thanks to an additional effort from the team and from our side too as a way to contribute to the career of our best young drivers, starting with Karol who is the 2021 Super Trofeo World Champion!

Vincenzo Sospiri: For me, as an ex-driver and as a Team Principal, it's really important to see my drivers grow and progress. Karol is a special driver who has already had a successful karting career and become a Champion in GT racing and it is always a pleasure to have him in one of my cars. I know he will give an important contribution to the team for the race at Spa.
