Hugo Cook arrives in the Sprint series after establishing himself as one of the front runners in British GT and winning Lamborghini's Young driver Programme Shoot last season. Cook will also compete with VSR in selected rounds of the Italian GT Endurance Championship. Sharing the cockpit with him is Alex Denning, who has already shown a fine turn of speed in Lamborghini Super Trofeo and this year steps up to GT3.

"I'm very happy to welcome Hugo and Alex to our Sprint lineup and run a fourth Lamborghini at Mugello and Monza. I expect the 6 car to be in the mix for some good results in what are sure to be two highly competitive events."
